

Online Membership

FAQ

What's included in the membership?

The Membership is the primary way for you to access the majority of our online classes and practices. Currently we have over 60 practices available for our members and this number is growing every week.

How can I access the membership page?

Head to yogatime.com.au/online-yoga-trainings-courses/add it to your bookmarks bar.

At the top right there is a drop down menu that will say "Your Account" or if you aren't logged in it will say "Login."

Login with your email and password you have created when you signed up for the online membership.

How does billing work with the online membership?

You only get billed once when you sign up. You pay \$60 and receive lifetime access, or until we complete our business services, to this membership portal. No subscription. No cancellation is needed.

What if I lost my password?

You can simply request a password reset by selecting 'lost password'

I can't seem to login in again/find the membership site?

Select 'logout' from the top menu. And then login again. you will land straight away on your membership site.
